

## Proton Pump Inhibitor PPI Chineway\_Technical cooperation\_2013.07.03

1. The representative drug of PPI, omeprazole is initially listed on Swiss market in 1987. Until global patent protection expired in 2001, China succeeded imitating it in 1994. Currently, there are scores of enterprises who have got the related approvals domestically, but few companies produce by themselves. For the better promotion and popularization of this product in China, our company will cooperate in the following ways:
2. Preparation project concerned: **Momeprazole enteric capsule (tablet), Pantoprazole sodium enteric capsule (tablet), Lansoprazole enteric capsule (tablet), Rabeprazole enteric capsule (tablet), Esomeprazole magnesium enteric capsule (tablet)**
3. Ways of cooperation in this project:
  - ① Technical transformation, our company provides enterprises that have already got the production approval with industrialized process in commercial quantities directly for technical cooperation.
  - ② Reciprocal cooperation, our company provides commercialized technical cooperation, binding our company's key excipients sale association.
  - ③ Reciprocal cooperation, our company provides commercialized technical support, carrying out the market cooperation of preparation project.

### Chineway's special advantages in the "re-evaluation of the consistency of the quality of generic drugs":

- 1, Foreign literature, patents, research of original products;
- 2, Establishment and analysis of the results of in vitro dissolution methods;
- 3, Help customers complete the initial pre-formulation (help you complete "Project Opening Report")
- 4, Optimize the preparation manufacturing process;
- 5, Technical transfer from lab to commercial production scale;
- 6, Technical support and trouble-shooting for the production process.

We offer you a systematic, complete solution with value-added services.  
Ideas for your value!

- 1, Our technical manager are experts who have worked for many years in well-known pharmaceutical companies;
- 2, We have foreign experts to provide technology database;
- 3, Well-known professors of Shanghai Institute of Pharmaceutical Industry can provide us professional and technical guidance;
- 4, We have more than 30 international pharmaceutical excipient suppliers, and we have a systematic international experience in the application of high-quality pharmaceutical excipients;
- 5, Combination of products and technical services to provide you with "one-stop" service.

We turn your formulation problems into solutions. Save yourself the surprises when  
You're looking for a partner. Come straight to us.
